

## Health Services Administration (HSC 4910) Capstone Learning Contract

<b>Learner's Name:</b>	Brianca Major	<b>Agency:</b>	Health Department
<b>Mentor's Name:</b>	Samantha Staley	<b>Capstone Instructor:</b>	Maisch
<b>Semester/Year:</b>	Spring 2018	<b>Date Final Contract Submitted:</b>	
<b>Capstone Goal:</b>	<i>In 3-4 sentences, comment on the relationship between your Capstone Experience/Project and your professional career goals.</i>		
<p>My capstone project and my career goals align together. My goals are to help out in the community. I love interacting with patients and encouraging them. I am very interested in learning more about the community I live and work in. I will be doing a project on encouragement of mothers to breastfeeding in public and acceptance of those practice. Through this interaction of and my career goal, I will ultimately acquire the experience I need to better my professional career.</p>			
<b>Capstone Description:</b>	<i>In 4-7 sentences, describe <u>where</u>, <u>why</u>, and <u>how</u> you will conduct your Capstone Experience/Project. Briefly describe the agency or setting of your project, and why you chose to address an issue in that particular agency or setting. List the various activities and resources you plan to use to accomplish your goal.</i>		
<p>I am completing my Capstone Experience at the Florida Healthcare Department. This is a health care center where medical services are provided to people with no insurance and low income. I have worked in the health care field for over 5 years. My project will consist of encouraging mothers to breastfeed in public. I plan to go to different restaurants and see if they allow mothers to breastfeed and encourage them that's it is lawful. I will attend different classes and explain the difference between formula and breastfeeding. I will pass out brochures to different centers to help promote the safety of breastfeeding and inform places that they have pass a law for mothers to breast feed in public areas</p>			
<b>Program Wide Goals:</b>	<p><i>Your contract objectives and measures should provide evidence that you met these four HSA Program Goals:</i></p> <ol style="list-style-type: none"> <li>1. Develop the knowledge, skills, attitudes and values necessary for positions of responsibility and leadership in the continually changing health care or human services profession.</li> <li>2. Provide advanced professional and educational services applying the appropriate critical thinking, interpersonal, and written communication skills required for successful performance in the health care or human services professions.</li> <li>3. Use technology to acquire knowledge, aggregate information and communicate effectively to others.</li> <li>4. Apply the principles of sound research design to the critical evaluation of scientific literature related to the health care or human service professions</li> </ol>		
<b>Learning Objective*</b>	<b>Strategies/Resources</b>	<b>Measure*</b>
