

Compare and Contrast Paper

Due Dates:

Draft: January ²¹ 25

Final: February 13

Assignment:

Read the stories "Charles" and "The Open Window" from the handout. You will then compare and contrast these two stories for your paper. You will need to have a thesis that states your opinions about both papers. For each of your main points you will need supporting quotes from the stories that are relevant and cited properly. Because of this, you will need to have a bibliography at the end of your paper. The length of the paper should be at least 750-800 words.

Make sure you:

- 1) Type your paper using 12-point Times New Roman font and double space
- 2) 1-inch margins on all four sides of the page
- 3) Include a cover page with your title, name, class name, professor's name, type of paper (e.g. Comparison and Contrast Rough Draft), and date
- 4) Make sure to include all of the proper elements of a paper
