

heart is also broken after learning that Pranab Kaku is a cheat. All this have happened because of clash between cultures.

Both Ushas mother and Gogol have struggled to have a successful love life but they have been disappointed. The ones that they love are usually having an eye somewhere else and this leaves them frustrated. Gogol loved Moushumi but unfortunately she was already taken by Dimitri. Ushas mother struggles to find Pranab Kaku but unfortunately he has his love and affection won by another lady, Deborah.
