

Eng 105
Student Profile

Name: _____

Phone number: _____

Email address (that you actually check): _____

1. Tell me about your history as a reader. (In other words, what was your reading experience like in childhood, elementary school, middle school, high school, and beyond? What were the particularly pivotal moments that made you love or hate reading?)

2. Tell me about one book, story, poem, or play that you have read within the last two years that you particularly enjoyed or that really made an impression on you. What made it so meaningful?
