RHOT 150 - Tourism Paper 2013

This assignment is a formal report and is to be a minimum of 2000 words.

- Assignments are due, April 8th, 2013 @ 1:30pm
- The paper will be handed to your instructor in class or emailed in PDF or word format to instructor

Canada's Tourism and the relationship with Canada's National Parks.

Discuss the role of Canada's national parks in relation to the tourism industry in Canada. Thoroughly research the tourism significance and ecological health of ONE national park within Canada. Discuss park current and/or future plans to promote sustainable tourism. In your opinion, do you believe that the park is meeting the Parks Canada mandate?

In your report be sure to include the following items:

- Overview of the National Parks System Plan and Parks Canada's Mandate
- Park Details

- Location of park, geographical details
- Park special designations (eg UNESCO)
- Relevant park statistics
- Environment and animal species
- What can visitors see and do at the park?

Tourism Significance
