# John Smith

**Age:** 51

**Location:** ?

**Education:** ?

**Job:** Truck driver

**Family:** Lives with his wife and 2 daughters (one of them is going to university)

## - Goals

- Spend more time with his family
- Stay active and healthy
- Start his own transport company

## - Frustrations

- Length of work days
- Drivers cutting him off
- Rainy weather

## - Bio

John is a 51-year-old truck driver. He has been a truck driver for over 30 years. Due to his job he spends a lot of time driving around New Zealand and can't spend a lot of time with his family. His top priority is road safety, especially during winter due to the rain. Because he spends so much time sitting down in his break he likes to go for a run to clear his mind.

John is hoping to start his own company so he can spend less time on the road and more time with his family. The reason why he got into driving was because his father was a truck driver and wanted to do the same since he was little.

# Nikau Parata

**Gender:** Male

**Age:** 53

**Location:** ?

**Education:** ?

**Job:** Truck driver

**Family:** Lives with his wife and one son

## - Goals

- Go on a holiday with his family
- Quit smoking
- Stay safe on the road

## - Frustrations

- Getting stuck in traffic
- His son not listening to him
- Service station food

## - Bio

Nikau is a 53-year-old truck driver. He has been working in the forestry industry as a distribution trucker for over 15 years. A friend offered him the job and that is how he got into the industry. He loves his job and he hopes to stay driving for many more years.

Nikau is hoping to have enough money to visit Australia soon. It has been a long time since they travelled together and since his son is moving out soon he is hoping to go together as a family.

# Grant Wilson

**Age:** 31

**Location:** ?

**Education:** ?

**Job:** Harvester/Logger

**Family:** Lives with his wife

## - Goals

- Buy a new phone
- Save up for a house
- Start a family

## - Frustrations

- Machinery breaking down
- Neighbour borrowing tools and not returning them
- Trainees not following safety procedures

## - Bio

Grant is a 31-year-old harvester. He has been working in the same position for just over 10 years. He loves his job but sometimes he is concerned about the effect his work has in the environment. He is also very concerned about the safety at work and hopes to reduce the incidents in his workplace. Grant has been saving enough money to move to his own place his with wife so they can start their own family.

# Kahurangi Henare

**Age:** 21

**Location:** ?

**Education:** ?

**Job:** Harvester/Logger

**Family:** Lives with his parents and two brothers

## - Goals

- Win the local rugby tournament
- Move out
- Save money for a new car

## - Frustrations

- Not having enough money
- Getting up early to go to work
- Attending training sessions

## - Bio

Kahurangi is a 21-year-old harvester. He started working as a harvester because he was tired of his family pressuring him with high expectations. He is hoping to move to his workmates flat soon and save for a new car. Kahu loves going out on the weekend with his friends. He loves sports, specially playing rugby. He has been training for the past year for the local rugby tournament and he hopes to win.

# Michael Walker

**Age:** 34

**Location:** ?

**Education:** ?

**Job:** Forest Engineer

**Family:** Single

## - Goals

- Get his own place
- Get promoted
- Learn another language

## - Frustrations

- Health and safety briefings
- Feeling like he is not getting paid enough
- Has no time to pick up new hobbies

## - Bio

Michael is a 32-year-old forest engineer. He started working in the forestry industry as an engineer because of the family business. He hopes to get a promotion soon so he can afford his own place. Michael always wanted to learn another language so traveling was easier.

# John Campbell

**Age:** 41

**Location:** ?

**Education:** ?

**Job:** Silviculture and tending

**Family:** Lives with his wife and daughter

## - Goals

- Getting a raise
- Making his workplace safe
- Buy a boat

## - Frustrations

- Back pain
- Cost of petrol
- Trying to call any company and getting hit with an automated system.

## - Bio

John is a 41-year-old silviculturist. He has been working in the industry for over 15 years. Due to his he has no time to pick up any new hobbies. His concerns is how his job affects the environment and safety.

John loves fishing, he is currently saving up to buy a new boat to go out on the weekends with his mates. His dream is to catch a big bluefin tuna
