

How to Place a Buy Stock Order

1. Enter the order.
 - a. **Type the Symbol** in the Find a Symbol box and **Press Enter**.

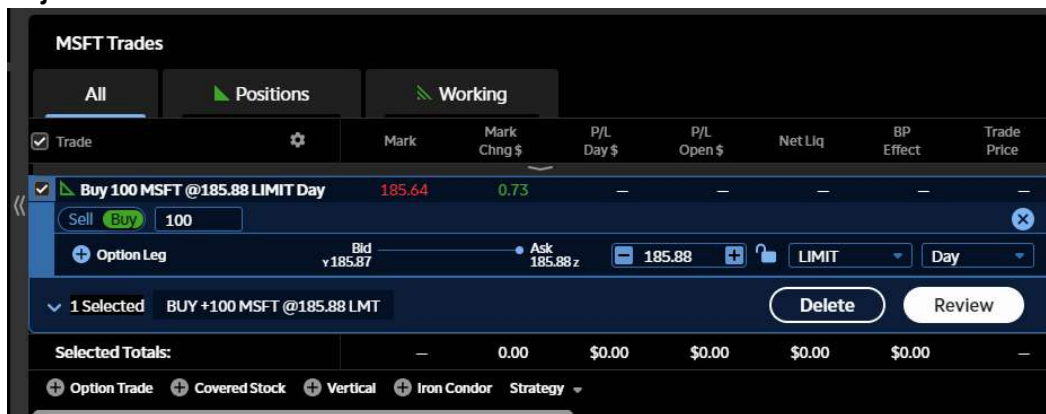

- b. **Click Buy.**

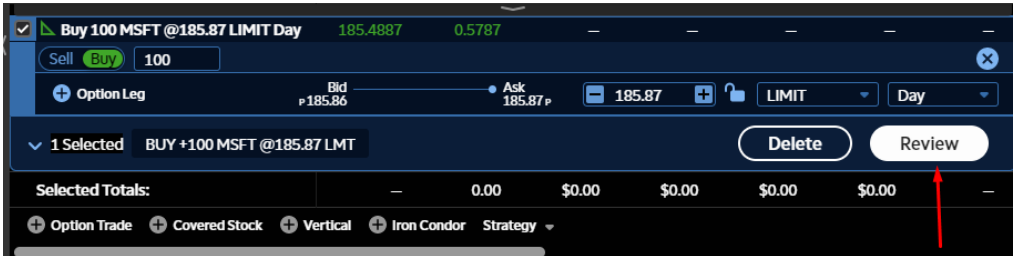

Note: This opens the Trade window below it.

2. **Adjust the order.**

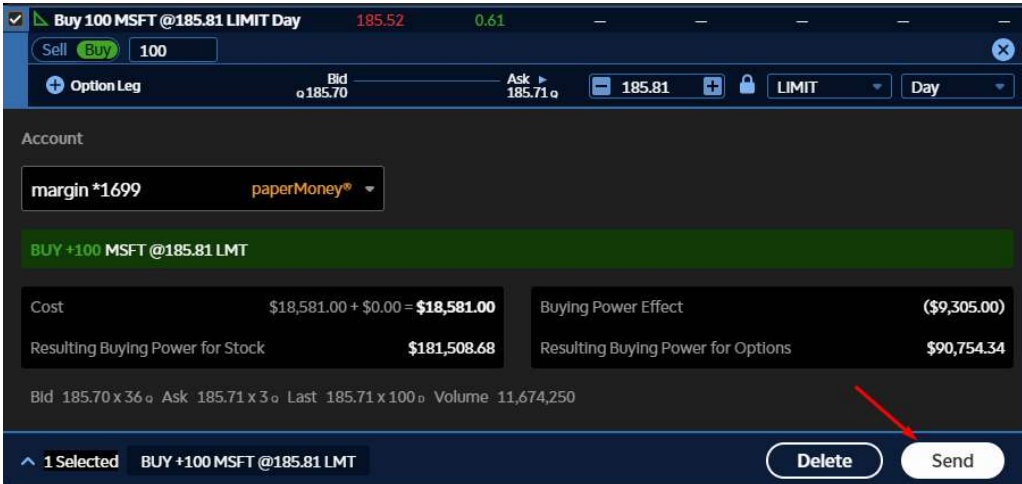

Note: Here you can adjust the quantity, price, and other specifics.

3. Click Review.

4. Click Send.

Note: You can still change the order or click Delete if you want to cancel it.

5. Once completed a confirmation will appear on the screen.
