Criteria Description

5. Excellent

13 points

Writer is clearly in command of standard, written, academic English.

4. Good

11.83 points

Prose is largely free of mechanical errors, although a few may be present. A variety of sentence structures and effective figures of speech are used.

3. Satisfactory

10.66 points

Some mechanical errors or typos are present, but are not overly distracting to the reader. Correct sentence structure and audience-appropriate language are used.

2. Less Than Satisfactory

9.49 points

Frequent and repetitive mechanical errors distract the reader. Inconsistencies in language choice (register), sentence structure, and/or word choice are present.

1. Unsatisfactory

0 points

Mechanical errors are pervasive enough that they impede communication of meaning. Inappropriate word choice and/or sentence construction are used.

Criteria Description

5. Excellent

13 points

The document is correctly formatted. In-text citations and a reference page are complete and correct. The documentation of cited sources is free of error.

4. Good

11.83 points

Required format is used, but minor errors are present (e.g., headings and direct quotes). Reference page is present and includes all cited sources. Documentation is appropriate and citation style is usually correct.

3. Satisfactory

10.66 points

Required format is generally correct. However, errors are present (e.g., font, cover page, margins, and in-text citations). Reference page is included and lists sources used in the paper. Sources are appropriately documented though some errors are present.

2. Less Than Satisfactory

9.49 points

Required format elements are missing or incorrect. A lack of control with formatting is apparent. Reference page is present. However, in-text citations are inconsistently used.

1. Unsatisfactory

0 points

Required format is rarely followed correctly. No reference page is included. No in-text citations are used.
